Projects:

- Thesis (Astra-Simons Paradox of the Observer & the Laws of Continuity)

- Relatively Simple: Bridging Theism, π, & the Science of Everything (“Self Help” book based on our Thesis)

(Fiction)

- 2984 (Powerful Sci-Fi Epic) & A Hitchhiker’s Guide to the Solar System (2984 Compendium)

- The World Beyond Reach (A place of magic, removed from our world by the Light of Creation to prevent the humans from being seduced by the call of the Void and it’s dark destructive nature)

- Rotcod (Fantasy World Co-Created by my late great friend Daniel James O’Neill)

- This is Earth, but not OUR Earth (An alternate timeline of Earth, details still in development)

- A Tale at Sea (Horror/Mystery about a helicopter crew of Coast Guard that stumble upon a cruise ship that mysteriously disappeared 6 months earlier. After an accident leaves them stranded on the seemingly deserted gargantuan ship, they quickly find out they are definitely not alone. The ship is haunted)

(Anime)

- Middlemyre (A D&D like fantasy saga about three best friends who grew up in a tiny village in the middle of a forest in the realm of Middlemyre. The three friends become legendary heroes and race to stop the resurrection of the Demon Deity known as Capricorn the Ruinous)

- Microverse (A mini-universe composed of a single star that houses the Goddess of Creation. It is a tale of machines and magic. Steampunk.)

(Screenplays)

- Killers (Dark Comedy about a US Marshall tracking a prolific mafia assassin who is tracking a notorious serial killer who brutally murdered the daughter of a powerful crime boss)

- 5 Deaths (Dark Comedy about a man who reads a fortune cookie that tells him he will accidentally cause the deaths of 5 people by the end of the day)

- An Early Old Timer (A “Feel Good” Drama about a billionaire who develops advanced Alzheimers after his 40th birthday. He’s an avid skydiver. The movie begins and ends with him jumping out of an airplane leaving his fate left ambiguous)

(Streaming Series)

- Guest Relations with a Badge (A sitcom about security officers working at a popular themepark, and/or resort, based on my experiences at Disney World)

- Operation: Z-Corps (Post Zombie Apocalyptic Dark Satire up a specially trained clean up crew dealing with remnants in the ruins of the great zombie war)
